Parking of more vehicles, boats, boat trailers, etc may be arranged a few blocks away from the property **at no additional cost.** Please do not park on the grass because of sprinkler/irrigation spray heads. Please DO NOT run over the landscape lights in the yard.
16. **SWIMMING AND BOATING** – activities in and around water, boats and boat docks inherently have risk. Children must be supervised while swimming on the property and NO DIVING IS ALLOWED from property boat docks. **All water related activities are at your own risk and renters and their guests agree to a complete release of liability for the property owners for personal injury, death or property damage.**
17. **BOATS and Dock** – While a guest, you have exclusive use of the dock/swim platform located on the western edge of the beach area. It is the smaller of the two boat dock structures on the property. Boats are welcome. There are several boat launch ramps nearby including Emerald Point Marina and Mansfield Dam Park. Boats may be moored “off shore” since the property owns the underwater rights under the lake or boats may be tied to the dock/swim platform. If desired, boat slips are also available for rent at Lake Travis Marina. Be sure to specify only a weekend rental. It is about two blocks from the house. Your boat trailer may be parked at the house but it will count toward the limit of four vehicles. You may store it about three blocks away for no additional charge.

Please do not use the other, larger boat dock on the eastern edge of the beach.

18. **BEACH** – The property has a very large (approximately one acre), private grassy beach area. This does fluctuate in size based on the level of Lake Travis. If the lake level is very low there will be gravel and rocks between the water and the grass. You should exercise caution when walking on rocks since they can be slippery.

You are welcome to use the beach area which is shared with one other house. There are picnic tables, lounge chairs, a grass volleyball court and a bon fire pit. During drought periods the county mandates a burn ban and the fire pit cannot be used.

BEACH ACCESS – please do not walk on the concrete driveway that leads to the lake. Simply walk along the western edge of the property straight to your dock or the beach (walk along left side of the property to the lake).

19. **HURRICANE, FLOOD OR STORM POLICY** - No refunds will be given unless:
